Glimpses of Past Workshops

Dr Gaurav Kumar

(Founder and Director of CollCom, Asst Prof at Gautam Buddha University, Greater Noida)

Dr Gaurav is currently working as an **Assistant Professor in the Department of Computer Science at Gautam Buddha University**, Greater Noida. He is also **Founder and Director of a Non Profitable Social Venture CollCom**. He is having more than Six years of work experience and published 11 Research Papers in International Journals and Conferences. His research areas are Sentiment Analysis, Recommendation System, Multi Criteria Decision Support System, Machine Learning and Field Study Growing rate of Cyber Crime and prevention strategy. Currently, he is working on Building ML models through a designed Questionnaire cum Training on understanding the knowledge of users of our country about Cyber Crime, understanding the growing rate of Internet Crime and Victim. His previous working institution was Bennett University (Times Group) and GLA University, Mathura.

Dr Kumar believes in Learning by Doing pedagogy of doing study and research. For this, he has established a social venture named CollCom (College Community Social Venture), which aims to **empower Schools and College Youth through community service**. Dr Kumar has completed his **M.Tech and PhD in Computer Science from one of the prestigious institutes of our country named Jawaharlal Nehru University**, New Delhi. During his education, he was active in community engagement field activities such as Teaching children in the Slum Basti, Waste Management, Tree Plantation, Health, Yoga and Fitness Awareness, Internet Crime awareness and many more. He has also received **Gold Medal Award from the University** and the **Best Volunteer Award from the Ministry of Human Resource Development**, Govt of India, for making tremendous efforts in creating awareness.

After completing his PhD, He opened a Food Cloud Kitchen Startup (Swaaduasti Food) to promote healthy food and create employment opportunities to fulfil the dream of our Honorable Prime Minister, Shri Narendra Modi Ji. But due to some technical failure, the startup was closed in 6 months of operations just before Covid started. He did not lose hope. During the Covid time, Dr Kumar did not sit ideally. He started working on helping people with plasma and oxygen support. Everyone was becoming dependent on the Internet for doing day-to-day work. Soon, he realized the importance of the lack of awareness of Cyber Crime.

He launched a Mega Campaign on Cyber Crime Awareness. He started visiting different schools and colleges (offline and online) and **delivered more than 55 Workshops on Cyber Crime Awareness**. He developed a short and very innovative Online Self Guide Cyber Crime Awareness Training Module in which **more than 75,000 people from across the country participated and benefitted**. He aims to **empower 10 Lakh people** of our country in the next two years.
